

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION

RED LION MEDICAL SAFETY, INC.,
et al.,

Plaintiffs,

v.

GENERAL ELECTRIC COMPANY,
et al.,

Defendants.

Civil Action No. 2:15-CV-00308

VERDICT FORM

You, the jury, are to answer the following questions based on the evidence admitted at trial and according to the instructions the Court has given you. Start with Part 1 and proceed through this verdict form according to the directions provided.

1. Market Definition

1.1. Do you find from a preponderance of the evidence that the United States is the appropriate geographic market?

Answer "Yes" or "No" with respect to each of the following relevant markets:

i. GE anesthesia machine servicing

yes

ii. anesthesia machines

yes

If you have answered "No" to this question for any proposed market, you should no longer answer any questions in this form with respect to that proposed market. If you answer "No" for both proposed markets, you should stop, and the foreperson should sign the last page of the form.

1.2. Do you find from a preponderance of the evidence that the servicing of GE anesthesia equipment by external technicians, excluding the servicing of such equipment by in-house technicians, and the sale of GE anesthesia machines are correctly defined product markets?

Answer "Yes" or "No" with respect to each of the following relevant markets:

- i. GE anesthesia machine servicing Yes
- ii. anesthesia machines Yes

If you have answered "No" to this question for any proposed market, you should not answer any further questions in this form with respect to that proposed market. If you answer "No" for both proposed markets or for the only remaining market you are considering after question 1.1, then you should stop, and foreperson should sign the last page of the form. If you have answered "Yes" to any or both of the proposed markets in this question, proceed to Part 2 and answer the questions corresponding to that market.

2. Monopolization

2.1. Do you find from a preponderance of the evidence that GE has monopoly power in the relevant markets?

Answer "Yes" or "No" with respect to each of the following relevant markets:

- i. GE anesthesia machine servicing Yes
- ii. anesthesia machines Yes

If you have answered "No" to this question for any proposed market, you should not answer any further questions with respect to that proposed market in Part 2 (monopolization). If you have answered "No" to this question for both proposed markets, you should go directly to Part 3 (attempted monopolization). If you have answered "Yes" to any or both of the proposed markets in this question, proceed to the next question and answer the questions corresponding to that market.

2.2. Do you find from a preponderance of the evidence that GE engaged in anticompetitive conduct within the relevant markets?

Answer "Yes" or "No" with respect to each of the following relevant markets:

- i. GE anesthesia machine servicing yes
- ii. anesthesia machines yes

If you have answered "No" to this question for any proposed market, you should not answer any further questions with respect to that proposed market in Parts 2 (monopolization) or 3 (attempted monopolization). If you have answered "No" to this question for both proposed markets, you should stop, and the foreperson should sign the last page of the form. If you have answered "Yes" to any or both of the proposed markets in this question, proceed to the next question and answer the questions corresponding to that market.

2.3. For each of the markets for which you found the answer to be "Yes" in question 2.2 above specify by writing "Yes" in each box below for the anticompetitive conduct that forms the basis of your answer.
